External Reviewer/External Committee Member’s Signature ________________________________ Date ________________________________

Optional Member’s Signature ________________________________ Date ________________________________

over
Provisional Approval

☑️ Thesis/Dissertation manuscript is accepted with minor changes required. External reviewer (for dissertation only) and members sign on the front page and on the Certificate of Approval page, but chairperson withholds signature until all changes completed. Chairperson must outline below the nature of the required changes:

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
If minor changes are required, chairperson and student agree to the minor changes by signature below.
Chairperson ___________________________ Student ___________________________ Date ________
☐ A new defense is not necessary. (A second technical review may be necessary.)

☐ Not Approved
State reasons why thesis/dissertation is not approved, and outline the nature of the required changes:
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
Chairperson ___________________________ Student ___________________________ Date ________

Program Director’s Approval
The Program Director has reviewed and approved the final Dissertation or Thesis, and will send this form to the CIIS Librarian for signature (a copy of this form and the attached External Review Tracking Form is kept on file with the Program Director):

Program Director ___________________________ Date ________

Library Review and Submission
